FROM

THE HON'BLE MR. L. W. REYNOLDS, C.S.I., C.I.E., M.C., I.C.S.,
Chief Commissioner, Ajmer-Merwara.

TO

THE POLITICAL SECRETARY TO THE GOVERNMENT OF INDIA.

Dated Mount Abu, the $\frac{15th}{20th}$ April 1929.

Report on the Administration of Ajmer-Merwara for 1927-28.

SIR,

I have the honour to submit the Annual Report on the Administration of Ajmer-Merwara for the year 1927-28 compiled by Mr. E. C. Gibson, I.C.S., Commissioner of Ajmer-Merwara, with my remarks thereon embodied in Part I of the Report.

I have the honour to be,

SIR,

Your most obedient servant,

L. W. REYNOLDS,

Chief Commissioner, Ajmer-Merwara.

Part I.

GENERAL SUMMARY.

1. **Agricultural Summary.**—The average rainfall throughout the district was 29·08 inches against a normal average of 21 inches. The Rabi crops, depending on the rainfall of the preceding year, were good, the outturn being over 15 annas in the rupee in the Ajmer Tehsil and bumper in the Beawar and Todgarh Tehsils. The Kharif crops were fair, the outturn being over 9 annas in the rupee in the Ajmer and Beawar Tehsils and over 11 annas in the Todgarh Tehsil. The balance of loans to cultivators outstanding at the close of the year was Rs. 3,65,411.

2. **Revenue and Expenditure.**—Imperial income and expenditure (including Forests), as shown in the Report, were Rs. 19,06,148 and Rs. 33,32,995 as compared with Rs. 16,69,097 and Rs. 29,45,949 in the previous year. The net deficit, therefore, exceeds 14 lakhs but as these figures do not include figures for irrigation and civil works, which are included in the Public Works Department budget, and include certain items, both on the receipt and expenditure sides, which cannot be legitimately considered as part of the Ajmer-Merwara Budget (*e.g.*, an item of Rs. 15,80,093 on account of interest paid at the Ajmer Treasury on Promissory notes and War Bonds, etc.), they do not represent a commercialised balance sheet for the Administration.

3. The increase under income occurred mainly under "Land Revenue," "Taxes on Income," "Excise," "Stamps" and "Receipts in aid of superannuation." The increased income under "Land Revenue" is due to a rise in the fluctuating revenue owing to good rainfall and to the collection of considerable arrears of revenue. The increased revenue under "Excise" was mainly due to increased consumption of country liquor. The increase under "Stamps" is due to better trade and agricultural conditions which have as usual given rise to increased litigation. The increase under expenditure occurred mainly under "Interest" (Rs. 2,87,428), "Education" (Rs. 1,38,364) and "Agriculture" (Rs. 15,510). The increased expenditure under "Interest" is due to the payment of interest on Promissory Notes of high denominations, whereas the increase in expenditure under "Education" is chiefly due to expenditure in connection with the five years' programme for the expansion of education in the district. The increased expenditure under "Agriculture" is due to additions to the strength of the establishment of the Registrar, Co-operative Societies, and to a higher grant-in-aid to the salary fund of the Girdawars of that establishment.

4. Excise collections rose from Rs. 6,88,556 in 1926-27 to Rs. 7,07,673 during the year under report. The total collections of Income-Tax and Super-Tax amounted to Rs. 2,76,260 as against Rs. 2,03,981 in the previous year. The cost of collection was 3·45 per cent. of the total collection against 4·33 per cent. during the preceding year. The incidence of Excise and Income-Tax per head of population was Rs. 1-6-10 and Re. 0-8-9 respectively against Re. 1-6-2 and Re. 0-6-6, during the previous year.

5. **Police.**—There was an increase of 830 in the volume of crime reported to the Police as compared with the figures for 1926. The incidence of crime per 10,000 of population amounted to 124·1 compared with 109·89 in the previous year. The increase was mainly in connection with offences affecting the public health and safety. The total number of cases of dacoity reported to the Police was 16, of which 3 were house dacoities and the remaining 13 were road dacoities. The special dacoity force formed in April 1927 was useful in preventing crime in the district but made no actual captures. The problem of dealing with dacoits in Ajmer-Merwara is rendered exceptionally difficult owing to the interlacing jurisdictions of the neighbouring Indian States. The last two years' working of the Gayer system of investigation of burglary has proved a failure, as sufficient information cannot be obtained from the bordering Indian States. Restriction of Criminal Tribes under the Criminal Tribes Act has proved beneficial to the maintenance of law and order, but their encampments have had a depreciatory effect on the value of land, and the entablishment of a Criminal Tribes Settlement in Ajmer is therefore under consideration.

A notorious dacoit called Magan Singh, on whose head a price had been laid by neighbouring States, was captured during the year by a constable of the Ajmer-Merwara Police Force.

6. **Criminal Justice.**—The total number of offences reported was 10,225, of which 9,375 were returned as true. 15,059 persons were placed on trial, of whom 7,299 were convicted. The average duration of each case was 52·42 days as compared with 48·47 in the previous year.

7. **Civil Justice.**—As compared with the preceding year, there was an increase of 1,505 in the total number of civil suits including miscellaneous with an increase of Rs. 3,19,326 in the total value of suits.

8. **Alienation of Land.**—During the year under report, 142 applications for permission to alienate land under the provisions of the Ajmer Alienation of Land Regulation, 1914 (III of 1914), were rejected. The Regulation, therefore, still serves a useful purpose.

9. **Courts of Wards.**—Three new estates were brought under the Court of Wards and three released during the year, thereby leaving the total at 22. The financial position is satisfactory on the whole, and total expenditure was kept below total revenues by about half a lakh.

10. **Water supply and Sanitation.**—Owing to heavy falls of rain during the year, there was sufficient water in the Foy Sagar tank and it was not therefore necessary to draw upon the Bhaonta or the Budha Pushkar water supply. There was little improvement in the sanitation of Ajmer City and this question as well as that of augmenting the water supply and preparing a town planning scheme, which is urgently needed, are still under the consideration of the Municipal Committee which does not evince any very active interest in measures calculated to improve the amenities of the town whose affairs it administers.

11. **Co-operative Societies.**—The number of Central Societies was 12. The members of these Central Societies consisted of 852 individuals and 1,003 Societies as compared with 886 and 825 respectively in the previous year. The number of Agricultural Societies fell from 485 with 10,166 members to 475 with 9,849 members. Non-agricultural Societies numbered 95 with 6,367 members as compared with 94 with 8,336 members during the preceding year. The working capital of the Central, Agricultural and Non-agricultural Societies amounted to Rs. 21,96,628, Rs. 15,93,561 and Rs. 5,81,909, respectively against Rs. 22,61,052, Rs. 17,22,800 and Rs. 4,67,321 in the preceding year. The total working capital of all the Societies amounted to nearly 43¾ lakhs of rupees. It is satisfactory to note that the Central Banks are working on improved lines. The co-operative movement in Ajmer-Merwara is still feeling the effects of amateur mismanagement in the beginning but the report is encouraging. Considerable headway has been made in the work of consolidation and the rooting out of bad societies. Some progress has been made in the direction of improving the staff and steps have been taken to broaden the education of the staff as a whole. As compared with other Provinces the co-operative movement in Ajmer-Merwara has suffered heavily from lack of expert advice in all matters connected with agriculture. If, as it is hoped will be the case, Ajmer-Merwara will before long be able to command the services of agricultural and veterinary advisers, the Administration may look forward to substantial progress in fodder storage and cattle and sheep breeding Societies and other similar co-operative activities. There is every hope that if the policy of the present Registrar of Co-operative Societies is pursued, the movement may be firmly established in a few years.

12. **Forests.**—Excluding arboricultural operations, the total receipts and expenditure of the Ajmer-Merwara Forests during 1927-28 amounted to Rs. 74,803 and Rs. 64,085 respectively as compared with Rs. 65,888 and Rs. 53,036 in the preceding year. The net surplus was Rs. 10,718 against Rs. 12,852 in the previous year. These figures go to prove that increased expenditure on right lines in this department will continue to justify itself by proportionate increase in revenue, besides the other advantages of good forest administration. The increase in receipts is due to better prices having been obtained during the year for forest produce, specially firewood and charcoal. The increase in expenditure is mainly due to capital outlay on the construction of quarters for the forest subordinate establishment and other buildings. Forest Administration has shewn satisfac-

tory progress and further progress will be possible if the proposals of the Local Administration for the reorganisation of the subordinate Forest establishment are sanctioned by the Government of India. The scheme for the collection and storage of grass in good years to meet future scarcity has been postponed until the proposals of the Royal Commission on Agriculture in India have been examined.

13. **Mines.**—Mining activity was confined mainly to Mica—16 new licenses were issued and 11 renewed.

14. **Stamps.**—The gross income from stamps amounted to Rs. 3,01,590 against Rs. 2,74,046 in the preceding year. The total charges in connection with the working of the Stamps Department amounted to Rs. 25,648 against Rs. 25,873 in the preceding year.

15. **Public Instruction.**—The existing arrangement under which the Educational Commissioner with the Government of India holds also the appointment of the Superintendent of Education, Ajmer-Merwara, has proved a conspicuous failure and seriously prejudices the development of education in Ajmer-Merwara. The Local Administration's proposals for revising the present system are under the consideration of the Government of India. The total expenditure on education amounted to Rs. 6,51,764 as compared with Rs. 6,32,906 in the previous year.

In connection with the five years' programme for the expansion of education in Ajmer-Merwara, the Government of India sanctioned an expenditure of Rs. 1,50,000 (non-recurring) and Rs. 41,813 (recurring) during the year 1927-28. The transfer of Primary Education in Ajmer to the Ajmer Municipal Committee with effect from the 1st April 1927 has resulted in a marked activity on the part of that body in educational matters. Though female education in Ajmer-Merwara is making very slow progress signs are not wanting of the awakening of public interest in the matter and of an increasing demand for educational facilities for girls. It is satisfactory to note that schools for adult education in rural areas are becoming popular.

On the whole considerable educational progress has been made and with the new era in educational activity which opened with the introduction of the five years programme of expansion, there is every hope of a substantial rise in the standard of literacy especially if satisfactory arrangements for the superintendence of education in the district are made.

16. **Medical.**—The main item of importance in the medical administration was the completion of the Victoria Hospital, Ajmer, for a cost of Rs. 3,92,425. The numbers attending the hospital show that it fills a real need in the life of the people, but accommodation is still insufficient. More quarters for the staff, an isolation ward, etc., are required but these needs cannot be supplied owing to lack of funds. The income of the Hospital is insufficient for its efficient maintenance.

The delay in the completion of this report has seriously impaired its value and steps are being taken to remedy this longstanding defect, and also to endeavour to impart a little more human interest to this publication which at present is little more than a compilation of statistics.

(NOTE.—The maximum limit fixed for the narrative portion of the report is 35 pages.)

REPORT ON THE ADMINISTRATION OF AJMER-MERWARA FOR 1927-28.

SECTION I.

GENERAL ADMINISTRATION.

(a) Personnel.

1. The office of Commissioner, Ajmer-Merwara, was held by the following officers :—

Lieutenant-Colonel R. J. W. Heale, O.B.E., I.A., from 1st to 20th April 1927.

E. C. Gibson, Esquire, I.C.S., from 21st April 1927 to 23rd October 1927.

Lieutenant-Colonel R. J. W. Heale, O.B.E., I. A., from 24th October 1927 to 3rd March 1928.

Captain I. W. Galbraith, M.C., I.A., from 4th March 1928 to 12th March 1928.

Lieutenant-Colonel C. H. Gabriel, I.A., from 13th March 1928 to 31st March 1928.

The appointment of Additional District and Sessions Judge was held by Sahibzada Abdul Wahid Khan.

Captain W. F. Q. Shuldham, I.A., held the office of the Assistant Commissioner from the 1st April 1927 to the 2nd June 1927 and Captain I. W. Galbraith, M.C., I.A., from the 16th November 1927 to the 31st March 1928.

The appointment of the Extra Assistant Commissioner, Merwara, was held by Mr. J. A. DeSouza, from the 1st April 1927 to the 11th April 1927 and from the 23rd July 1927 to the 31st March 1928, and by Mr. Kishenlal from the 12th April 1927 to the 22nd July 1927.

The post of Deputy Magistrate, Kekri, was held by the following officers during the year :—

M. Kishenlal—1st April to 11th April 1927 and 27th to 31st July 1927.

Rai Sahib Munshi Mahabir Prashad—12th April to 26th July 1927 and 1st August to 13th January 1928.

Mr. Zahur Masih—14th January 1928 to the close of the year.

Lieutenant-Colonel J. W. Watson, C.I.E., I.M.S., continued to hold the office of the Civil Surgeon during the whole year.

Mr. C. S. Elmslie held the appointment of Superintendent of Police during the year under report.

(b) Revenue and Expenditure.

(*Vide* statement No. 42.)

2. The total revenue and expenditure (Imperial and Local) of Ajmer-Merwara for the year amounted respectively to Rs. 28,41,886-8-0 and Rs. 42,72,986-2-4 as compared with Rs. 26,97,091-6-7 and Rs. 38,59,319-11-0 last year.

Imperial revenue rose from Rs. 16,02,163-2-3 in the year 1926-27 to Rs. 18,29,632-6-9 in the year under report while the expenditure rose to Rs. 32,50,140-7-6 as compared with Rs. 28,66,222-0-4 in the year 1926-27. There was thus a net deficit of Rs. 14,20,508 in the Imperial Revenue.

The principal variations in Imperial Revenue and Expenditure occurred under the following heads :—

Revenue.

	Rs.
Land Revenue	+1,08,151
Excise	+19,562
Stamps	+29,932
Receipts in aid of superannuation	+28,079
Taxes on Income	+68,741

Expenditure.

	Rs.
Interest	+2,87,428
Education	+1,38,364
Medical	—28,599
Agriculture	+15,510
Currency	—21,506

2-A. On the revenue side the increase under the head "Land Revenue" is due to a rise in the fluctuating revenue owing to good rainfall and also to the fact that considerable arrears of revenue were collected during 1927-28. The increase under the heads "Excise" and "Taxes on Income" are explained later under the sections relating to those branches of the administration. The increase under the head "Stamps" is due to an increase in litigation—one of the signs of the prosperity accompanying favourable agricultural conditions.

2-B. The chief reason for the increased expenditure under the head "Interest" is that a large number of notes of high denominations have been enfaced for payment of interest at the Ajmer Treasury.

The increase under the head "Education" is chiefly due to expenditure on the 5 years programme for the expansion of educational facilities which is being carried out. The decrease under the head "Medical" is due to the fact that the figures of 1926-27 included a special grant of Rs. 50,000 sanctioned for the construction of the New Victoria Hospital. The increase under the head "Agriculture" is mainly due to increase in the strength of the establishment of the Registrar, Co-operative Societies, and in the grant-in-aid to the salary fund of the Girdawars of that establishment. The decrease under the head "Currency" is attributable to the fact that the charges incurred on the remittance of treasure were less than in the previous year.

SECTION II.

ADMINISTRATION OF THE LAND.

(a) *Court of Wards* (*year ending the 31st July 1928*).

3. **Tenure of office.**—The office of the General Manager, Court of Wards, Ajmer, during the year under report, was held by Thakur Onkar Singh, who continued to do very good work.

4. **Estates under management.**—The following 22 estates were under the management of the Court of Wards at the close of the year (1) Bhinai, (2) Junia, (3) Kharwa, (4) Govindgarh, (5) Beawar (Thakur Guman Singh's estate), (6) Bubania (Thakur Moti Singh's estate), (7) Bubania (Thakur Amar Singh's estate), (8) Dodiana Dilwari, (9) Gangwana, (10) Ghana, (11) Musammat Hussain Banu's estate, (12) Musammat Nanni Begum's estate, (13) Nawab's estate, (14) Nimode, (15) Padalia, (16) Lala Pushkar Lals estate, (17) Rughnathgarh, (18) Rajosi, (19) Richmalian (Thakur Shiv Singh's estate), (20) Richmalian (maintenance holders' share), (21) Sholian, and (22) Tiswaria.

The estates of Salari, Miran Sahib and Karel were released during the year, the first under the orders of the Hon'ble the Chief Commissioner, Ajmer-Merwara, the second under those of the Sub-Judge, Ajmer, and the last on the termination of the period for which it was retained under management on the ward's own application after he attained majority. The estates of Richmalian (maintenance holders' share), Ghana, and Padalia were placed under the management of the Court of Wards during the year, the first two on account of the proprietors' incapacity and the last owing to the minority of the Thakur who succeeded the late Thakur Goverdhan Singh of Padalia.

5. **Receipts and expenditure.**—The year under report opened with a cash balance of Rs. 1,08,419-2-2. The total receipts during the year from all sources amounted to Rs. 5,01,780-0-1 as detailed below, of which Rs. 4,70,982-0-0 were under the head "Ordinary" and Rs. 30,798-0-1 under "Extraordinary."

Receipts.

	Rs.	A.	P.
1. Bhinai	1,55,342	7	10
2 Junia	1,10,798	15	3
3. Kharwa	1,00,065	4	7
4. Govindgarh	16,193	4	0
5 Other estates	1,19,380	0	5
TOTAL	5,01,780	0	1

The total expenditure of the year amounted to Rs. 4,57,872-15-11 as detailed below :—

	Rs	A.	P.
1. Government Jama	47,394	7	10
2. Household charges	1,24,104	4	1
3. Management charges	51,499	4	3
4. Rural Police	3,392	13	8
5. Works	46,762	9	2
6. Subscription	3,085	14	0
7. Investments, including Takavi to tenants	39,135	12	3
8. Repayment of debts with interest	78,063	8	4
9. Other charges	64,434	6	4
TOTAL	4,57,872	15	11

The outstanding balance due at the beginning of the year was Rs. 94,172-3-9* and the demand of the current year from all sources was Rs. 5,01,273-12-9 making the total demand Rs. 5,95,446-0-6 as detailed below :—

	Rs.	A.	P.
1. Bhinai	1,64,803	1	7
2. Junia	1,26,475	2	6
3. Kharwa	1,17,215	11	4
4. Govindgarh	17,270	8	3
5. Other estates	1,69,681	8	10
TOTAL	5,95,446	0	6

	Rs.	A.	P.
*Last year's figures	94,227	14	9
Less figures of Lamba estate released	55	11	0
Balance	94,172	3	9

Collections amounted to Rs. 5,01,780-0-1 as noted above. A sum of Rs. 244-2-6 having been remitted, the outstanding balance at the close of the year stood at Rs. 93,421-13-11 which includes a sum of Rs. 11,000 on account of the price of grain left unsold in the Junia and Bhinai estates which does not really come under arrears.

6. **Liabilities.**—The liabilities of the estates under management at the end of the year aggregated Rs. 5,44,138-8-6 as shown below against Rs. 597,830-2-5,* the last year's figure.

	Rs.	A.	P.
1. Dami loan including interest up to date of payment	4,58,029	15	0
2. Takavi loan including interest up to date of payment	25,363	9	0
3. Arrears of Government Jama	3,922	2	3
4. Private debts	56,822	14	3
TOTAL	5,44,138	8	6

	Rs.	A.	P.
* Last year's figures	6,03,449	0	0
Less figures of Lamba estate released	5,618	14	6
Balance	5,97,830	2	5

7. **Cost of Management.**—General management charges amounting to Rs. 19,172-0-0 represent a percentage of 4·98, and the cost of local management, *viz.*, Rs. 32,327-4-3, represents a percentage of 8·40 against 5·00 and 8·90, respectively in the preceding year.

8. **Education of the Wards.**—Raja Kalyan Singh of Bhinai, Kanwars Sajjan Singh and Amar Singh of Junia and Nawab Mohmed Umar Khan of Boraj continued their studies at the Mayo College, Ajmer. The Thakur of Nimode remained at the Municipal School, Kekri, and the Thakur of Sholian and the Jagirdar of Dodiana continued to study at the Government High School, Ajmer. The Tiswaria ward and his uncle were admitted to the Municipal School, Kekri, and the Thakur of Padalia to the Government High School, Ajmer. Lala Mahesh Pershad, the eldest ward of Lala Pushkar Lal's estate, was sent in September 1927 to Edinburgh for training in Civil Engineering and is prosecuting his studies there.

Lalas Rameshwar Pershad and Sukh Deo Pershad, younger brothers of Lala Mahesh Pershad, were sent to the Agra College and the Government High School, Narowal, respectively for further studies.

9. **Health of the wards.**—The health of all the wards was good throughout the year.

10. **Marriage of the wards.**—During the year under report Thakur Guman Singh of Beawar was married to the daughter of Thakur Anand Singh of Kalwar in Jaipur State.

(b) Mutation cases.

11. **Mutation cases.**—In the Ajmer Tahsil 2,097 cases were instituted all of which were disposed of during the year under report. In Merwara 3,802 cases were instituted and all were disposed of during the year.

(c) Land Alienation Regulation.

12. During the year 456 applications for alienation of agricultural land were filed, of which 314 were granted and 142 rejected. The alienations sanctioned include 17 cases relating to land within Municipal limits, 8 cases of perpetual lease and 2 of gift. Under section 15, two cases were received, in which sanction for sale of land was obtained from the Hon'ble the Chief Commissioner. One case was received under Section 16, in which possession for 20 years was granted in favour of the decree holder.

SECTION III.

PROTECTION.

(a) *Ajmer-Merwara Police (year ending the 31st December 1927).*

[Compiled by R. E. Coupland, Esq., Inspector-General of Police, Ajmer-Merwara.]

13. **Crime Statistics.**—The total volume of crime reported to Police and Magistrates, excluding false cases was 6,148, an increase of 705 compared with the figure of 1926. The increase falls under four heads (*i*) offences against the State, public tranquillity, safety and justice, (*ii*) serious offences against person and property or against property only, (*iii*) offences affecting the public health and safety, (*iv*) offences under special and local laws declared to be cognizable. The increase occurred mainly under head (*iii*) and cases under this head formed 60 per cent. of the total crime. There was an actual increase of 830 in the volume of crime reported to the Police during the year.

The incidence of crime per 10,000 of population amounted to 124·1 compared with 109·89 last year.

14. **Investigation.**—Investigations were made in 90·6 per cent. of cases reported compared with 90·8 per cent. in 1926. Eighty-six Police cases were struck off as false or as due to mistakes of law or fact compared with 80 the year before.

15. **Murder.**—The number of murder cases reported decreased from 10 in 1926 to 8 in 1927. Including 4 cases pending from the previous year there were 11 true police cases. Of these one was convicted, two acquitted, 6 remained untraced, one was withdrawn and 1 was pending at the close of the year. The figures for 1927 are not above the average of the triennium of 1924-25-26. Of the 8 cases reported during the year one was expunged as due to mistake of law or fact. Of the remaining 7 cases which actually occurred during the year three were due to private quarrels, two were cases of murder of babies by their own mothers and in the remaining two cases no motive for the crime could be discovered as the corpses of the murdered persons in these cases remained unidentified.

16. **Poisoning.**—The number of true cases of poisoning reported to the Police during the year was two compared with one in 1926, and none in 1925. No case of this nature was reported to magistrates during the year.

17. **Dacoities.**—The total number of true cases of dacoity reported to the Police during 1927 was 16. Including 4 cases pending from the previous year there were 20 cases for disposal against 15 in 1926. Of the 16 cases reported during the year three were house dacoities and the remainder road dacoities. Of the 20 cases two ended in conviction, one in acquittal, 10 remained undetected and 7 remained pending at the close of the year. Ten dacoities and 9 robberies were committed by armed men mounted on camels. Formerly it was customary to send out dacoity patrols who were under the control of the various Station Officers. This system was found to be of no value and in April 1927 a special dacoity force was formed. This force consisted of mounted police, armed police and plain clothes police. A number of camels were also borrowed from *Istimrardars* The force was posted at Kekri and Pisangan as these were the places most centrally situated with regard to the areas in which the camel dacoits work. After the inauguration of this force only 7 dacoities and robberies took place and, though unsuccessful in arresting any dacoit, the force can claim to have been useful in preventing crime. The notorious dacoit Magan Singh of whom mention was made in paras. 5 and 6 of my abridged review for the year 1925, who committed various dacoities and robberies in the Ajmer-Merwara district and for whose apprehension rewards were offered by this administration and by the Jodhpur and Shahpura Darbars, was arrested armed by a head constable of the Ajmer-Merwara Police on 28th June 1928 in Marwar territory.

18. **Robbery.**—Including 5 cases pending from the previous year, there were 31 true police cases for disposal compared with 36 in 1926. Nine ended in conviction, one was discharged or acquitted, 18 remained untraced and 3 remained pending at the close of the year.

19. **Burglary.**—The number of true burglary cases for disposal including magistrates' cases and those remaining from last year was 692 compared with 686 in 1926. The value of property burgled in 1927 aggregated Rs. 70,567-15-9 compared with Rs. 46,186-10-10 in 1926.

The Gayer system of investigation of burglary which was introduced in Ajmer-Merwara district in 1926 was pursued this year also, but with no useful or hopeful results. The reason for this lack of success is want of information of cases occurring in Indian States which surround the Ajmer-Merwara district.

20. **Ordinary Thefts.**—There were 462 true police cases for disposal compared with 423 in 1926. 174 cases involving 232 persons were sent up for trial. 87·93 per cent. ended in conviction.

21. **Cattle Thefts.**—81 true police cases were disposed of compared with 46 in 1926. 39 cases were worked out.

22. **Criminal Tribes.**—At the close of 1927 there were 516 adult males of all classes including gypsies on the registers against 494 of 1926. There is an increase of 22 which is due to the registration of 6 gypsies who attained the age of 15 years and the transfer of a few members who came from other States.

Out of 516 registered members, 45 are absconding against 52 of the last year, and 20 are in jail against 23 in 1926. Thus 451 registered persons were under police surveillance compared with 419 in 1926.

During the year under report 29 cases were prosecuted under Section 22 of the Criminal Tribes Act. Of these 26 were convicted and 3 were pending at the close of the year. In 45 cases the accused are absconding. Similarly 24 Sansis and one Kanjar were convicted during the year under the Indian Penal Code compared with 13 Sansis, 10 Kanjars, 2 Baories and 3 Merats in 1926.

Restrictions under Section 11 of the Criminal Tribes Act are proving beneficial in checking ingress of State gypsies and in influencing those already restricted to settle down and adopt an honest form of livelihood. Nearly 30 registered persons are serving in the Railway Shops at Ajmer. Land-holders and factory owners are averse from giving employment and local authorities do not approve of the settlement of these people within their jurisdiction. The presence of these criminal tribes encampments has had a depreciatory effect on the value of land and the establishment of a Criminal Tribes Settlement in Ajmer is under consideration.

The reciprocal arrangments with surrounding States have continued to work effectively.

23. **Vagrancy and bad livelihood.**—26 persons were prosecuted under preventive sections of the Criminal Procedure Code compared with 46 in 1926. Of the 26 persons sent up 8 were bound over and 7 discharged, 5 cases were expunged, 3 withdrawn and 3 remained pending at the close of the year.

(a) Police.

24. **Strength.**—The total sanctioned allocation including one private guard of quasi-permanent nature stood at 38 officers and 830 men. The actual strength at the close of the year was 35 officers and 826 men.

25. **Punishments and Rewards.**—Two men were convicted judicially during the year compared with the same number in 1926. 18 men were punished departmentally compared with one officer and 18 men in 1926.

486 officers and men were rewarded receiving a total of Rs. 3,033 as against 243 officers and men who received Rs. 2,245 in 1926.

26. **Mounted Police.**—There was no change in the sanctioned strength and disposition of this branch of the Force which stood at 2 head Constables and 25 Constables.

(b) Criminal Justice (year ending 31st December 1927).

(*Vide* Statements Nos. 11 to 16 and 25.)

27. The total number of offences reported was 10,225 of which 9,375 were returned as true. Of these cases 2,357 were reported under the Police Act. The number of cases under the Opium Act was 54 against 23 in 1926 and 27 in 1925.

28. 15,059 persons were placed on trial, of whom 7,299 were convicted. The corresponding figures for the year 1926 were 13,052 and 7,556. The average duration of each case was 52·42 days as compared with 48·47 in the year 1926.

29. The Court of Sessions dealt with the cases of 82 persons, as against 27 in the year 1926. Of these 31 were convicted and 39 acquitted. One case was referred to the Judicial Commissioner. 11 persons remained under trial at the close of the year.

30. The number of appeals and revisions dealt with by the District Magistrate, Sessions Judge and the Additional Sessions Judge was 279, of which 195 were rejected. The sentences in 15 cases were reduced and in 20 reversed. 7 cases were referred to the Judicial Commissioner and a new trial was ordered in 20 cases. Proceedings in 5 cases were quashed and sentence was enhanced in 6 cases. 11 cases remained pending.

30-A. The number of Appeals and Miscellaneous Criminal Applications disposed of by the Judicial Commissioner, was 97, out of which 48 were rejected. The sentence in 5 was confirmed and in 16 reduced or altered. In 5 a new trial or further enquiry was ordered and in 18 proceedings were quashed. There were 5 applications which were not prosecuted or withdrawn.

(c) *Civil Justice* (*year ending 31st December 1927*).

(*Vide* Statements Nos. 11 and 17 to 25.)

31. The total number of Courts during the year was 34. The total number of suits including miscellaneous was 7,254 against 5,749 in the year 1926, showing an increase of 1,505. The total value of suits instituted during the year was Rs. 10,77,243-6-3 as against Rs. 7,57,916-14-0 in the year 1926. Suits of all kinds, the value of which exceeded Rs. 10 and did not exceed Rs. 50 numbered 2,336. The total number of suits of all kinds for disposal including arrears was 15,380. The contested suits disposed of numbered 1,738. 64 were decided by arbitration and 6,250 were disposed of without contest. The number disposed of without trial was 1,585 and 239 were transferred to other Courts. At the close of the year 5,504 cases were pending as compared with 2,240 in the preceding year. Of these 1,692 had been pending for more than 3 months. The average duration of contested suits was 413·83 and that of uncontested 65·36.

32. On the appellate side there were 463 appeals from decrees and orders. At the close of the year 272 cases were pending as compared with 280 in the preceding year. The average duration of appeals was 259·10 days against 211·35 in the preceding year.

33. The total number of appeals and miscellaneous civil applications dealt with by the Judicial Commissioner was 210. Details are given in Statement No. 10-A (Civil).

34. The number of applications for execution was 17,965 against 14,321 in the year 1926. The number of pending applications for execution of decrees at the close of the year was 3,851 as compared with 4,567 in the preceding year.

(d) *Registration* (*year ending the 31st December 1927*).

(*Vide* Statement No. 26.)

35. The number of documents registered increased from 3,320 in 1926 to 3,679 in 1927 or by 11 per cent.

Transfers of agricultural land by sale increased by over 33 per cent. and those by mortgages by over cent per cent. as will appear from the figures compared below :—

—	1927.	Value.	1926.	Value.
Area sold	1,436	1,56,356	1,075	2,53,347
Area mortgaged	4,395	1,08,815	1,900	
		2,65,171		

The increase in registration work caused an increase in receipts, and the expenditure shows a proportionate increase.

—	1927.	1926.
Receipts	12,610 2 0	11,273 11 6
Expenditure	2,917 12 0	2,235 1 0

(e) *Municipalities (year ending the 31st March 1928.)*

(*Vide* Statements 27 to 30.)

(i) *Ajmer Municipality, population 99,541 excluding Urs pilgrims.*

36. During the year under report the constitution of the Ajmer Municipal Committee remained unchanged. The Committee was composed of 24 members, 6 nominated and 18 elected, of whom 6 were Europeans and 18 Indians. 12 special and 20 ordinary meetings were held, the average attendance being 14·05 and 16·72 respectively.

37. The total income of the year was Rs. 5,52,711 as compared with Rs. 5,78,903 in 1926-27. The expenditure amounted to Rs. 5,63,204 as against Rs. 5,82,388 in the previous year. The closing balance was Rs. 1,07,876.

The income shows a decrease of Rs. 26,192, which is more apparent than real, as the preceding year's figures included an item of Rs. 1,00,000 on account of a loan borrowed from the General Assurance Society Ltd., Ajmer. Excluding this item, the income for 1927-28 shows an increase of Rs. 73,808 over the figures of the last year.

The expenditure fell short of that incurred in the previous year by Rs. 19,184. The principal decreases occurred under the heads "Water Supply" "Conservancy" and "Hospitals and Dispensaries."

38. The gross and net receipts from Octroi in the two years are shown below :—

—	Gross.	Net.
	Rs.	Rs.
1926-27	2,89,080	2,45,578
1927-28	3,03,765	2,55,747
DIFFERENCE .	+14,685	+10,169

39. The increase of Rs. 14,685 in gross Octroi receipts occurred chiefly under the item "cloth, piece-goods." Similarily the net Octroi receipts as compared with the figures of last year also show an increase of Rs. 10,169. The percentage of Octroi refunds to gross octroi collections increased slightly from 15·04 in 1926-27 to 15·80 in the year under review.

40. The incidence of octroi taxation was Rs. 2-9-1 per head of the population as compared with Rs. 2-7-5 in the preceding year.

41. A sum of Rs. 23,373 was paid towards the liquidation of Government loans, the balance of which due by the Municipality at the end of the year amounted to Rs. 2,99,024.

42. The management of the Ajmer Water Works remained in the hands of the Executive Engineer, P. W. D., Ajmer Division.

43. The total rainfall recorded at the different registering stations during the year was as follows :—

1. Foy Sagar	36·47
2. Catchment area of the Foy Sagar	32·81
3. Municipal Storage Cisterns	27·68
4. Bhaonta Water Works	43·40

44. Owing to heavy falls of rain during the year under report, there was sufficient water in the Foy Sagar lake and it was not necessary to draw upon the Bhaonta or the Buddha Pushkar supplies, a considerable saving being thus effected in pumping expenses. The net profit from the sale of water during the year was Rs. 43,953 as compared with Rs. 13,363 last year.

45. At the commencement of the year the water level of the Foy Sagar lake was 19·12. It rose to 19·56 at the close of the year. The water level of the Budha Pushkar Lake was 7—0¾ at the beginning and 3—5⅞ at the end of the year. At Bhaonta well No. 5 the water level was 93·75 on the 1st April 1927 and 99·25 on the 31st March 1928.

46. The number of births and deaths recorded was 2,609 and 4,174, respectively as against 2,584 and 4,145 in the previous year.

47. The birth and death rates per mille of population were 22·98 and 36·77 as compared with 22·76 and 36·51 respectively in the preceding year.

48. The total number of vaccinations performed was 8,764 against 5,656 in the previous year.

49. The sanitation of Ajmer City continues to be far from satisfactory. But this question as well as that of augmenting the water supply are engaging the Committee's attention.

50. During the year under review the total expenditure on " Public Instruction " amounted to Rs. 14,049 as compared with Rs. 7,377 in 1926-27. Of this sum Rs. 4,360 was the amount spent on female education.

51. The Committee in addition to maintaining one Primary School for Girls and one for Boys and the Primary Section of the Moinia Islamia High School, have given grants-in-aid amounting to Rs. 4,145 to 14 Boys Schools and 9 Girls Schools.

(ii) *Beawar Municipality : Population 22,362.*

52. The Committee held 18 special and 36 ordinary meetings.

53. The total income and expenditure for the year amounted respectively to Rs. 1,36,464 and Rs. 1,35,428 as against Rs. 1,25,397 and Rs. 1,27,494 in the preceding year. The closing balance was Rs. 18,581 exclusive of Rs. 19,997 invested in Government Securities.

54. The income shows an increase of Rs. 11,067 which occurred principally under the head Octroi.

55. There was also an increase of Rs. 7,934 on the expenditure side but this is accounted for by the fact that refunds in arrear from the preceding year were paid during the year under report.

56. The incidence of Octroi taxation per head of population was Rs. 3-13-7 as compared with Rs. 3-13-4 in the year 1926-27.

57. The Edward Mills Company, Limited, continued to manage the Beawar Water Works, but the private connections were managed directly by the Committee. The total cost of water supply amounted to Rs. 18,425 including Rs. 12,310 on account of the maintenance of works. The income from the sale of water amounted to Rs. 2,730.

58. The numbers of births and deaths registered during the year were respectively 744 and 1,047 as against 769 and 957 in 1926-27.

(iii) *Kekri Municipality : Population 5,700.*

59. There was no change in the constitution of the Committee.

60. The Committee held 6 ordinary and 11 special meetings during the year.

61. The total income and expenditure amounted to Rs. 35,598 and Rs. 32,190 against Rs. 31,952 and Rs. 30,542 respectively in the preceding year. The increase of Rs. 3,646 in income is mainly due to increased receipts under the head "Octroi" on account of larger imports of various commodities by traders, especially grain, zira, and clothing materials. The expenditure increased by Rs. 1,648. The only note-worthy increase in expenditure was under the head "Public Works" which is accounted for by the fact that the work of constructing the new Town Hall at Kekri was taken in hand during the year under report.

62. The incidence of Octroi taxation per head of population was Rs. 3-4-5 as against Rs. 2-10-10 in the year 1926-27.

63. The number of births and deaths recorded during the year was 308 and 175 as compared with 200 and 255 respectively in the preceding year. The birth and death rates per thousand of population were respectively 54·03 and 30·70 as compared with 35·08 and 44·73 in 1926-27.

64. The balance at the credit of the Municipality at the close of the year was Rs. 50,168 (against Rs. 46,760 in the preceding year) including Rs. 10,999 invested in Government Securities.

(iv) *Deoli Municipality : Population 3,474.*

65. There was no change in the constitution of the Committee. The Committee held 12 ordinary and 1 special meetings during the year.

66. The total income and expenditure for the year amounted to Rs. 5,102 and Rs. 4,795 as compared with Rs. 5,314 and Rs. 4,378 respectively during the preceding year. The decrease in income mainly occurred under the head "Taxes on trades". The increase of Rs. 417 in expenditure is principally due to the construction of a new cattle pound.

67. The closing balance for the year was Rs. 7,707 against Rs. 7,399 in the preceding year.

68. The incidence of taxation per head of population was Rs. 1-3-2 against Rs. 1-4-3 last year.

69. The figures of births and deaths recorded during the year were respectively 40 and 24 as compared with 51 and 58 in the preceding year.

(*f*) *Medical* (*year ending the 31st December 1927*).

70. The number of dispensaries has been 7 since 1918. The total number of indoor and outdoor patients treated in these dispensaries decreased from 98,713 in 1926 to 89,403. The percentage of deaths amongst indoor patients decreased from 7·09 to 5·96.

71. The total number of surgical operations of all kinds performed during the year was 5,492 with 27 deaths against 5,324 with 19 deaths in 1926. Of these 1,478 were performed in the Victoria Hospital, Ajmer, with 21 deaths against 1,729 with 15 deaths in 1926.

72. The total income of Hospitals and dispensaries in Ajmer-Merwara amounted to Rs. 38,126 as compared with 37,806 in the previous year, showing an increase of Rs. 320 which is due to a special grant of Rs. 423 by the District Board towards the Ramsar and Todgarh dispensaries.

73. The total expenditure amounted to Rs. 34,995 as against Rs. 35,663.

74. The new building of the Victoria Hospital in the Kaisarbagh, Ajmer, was completed in March 1927 and the hospital started its work from the 28th March 1927. The amount spent on the actual construction of the hospital was Rs. 3,71,134. Expenditure on equipment and other incidental charges amounted to Rs. 21,291-10-0. The necessary funds were provided by a grant from Government, subscriptions from local bodies and private persons and the sale of the premises of the old hospital.

(*g*) *Joint Stock Companies* (*year ending the 31st March 1928.*)

75. The number of Companies working at the close of the year remained the same as in the preceding year namely 22. One new Company, *viz.*, Uberoi and Company, Limited, was registered during the year and one Company, *viz.*, the Kekri Press Company, Limited, was transferred to the registers of the Registrar of Joint Stock Companies, United Provinces. The newly registered Company was, however, struck off the registers of the Department in June 1928. No Society was registered during the year under Section 2 of the Registration of Literary, Scientific and Charitable Societies Act, XXI of 1860.

76. At the close of the year the authorized and paid up capital of the existing Companies was Rs. 72,94,000 and Rs. 36,19,603-10-6 as compared with Rs. 73,35,000 and Rs. 36,48,268-10-6 respectively in the year 1926-27.

77. The total receipts amounted to Rs. 172 as against Rs. 462 in the preceding year, a decrease of Rs. 290, which is mainly due to the fact that a sum of Rs. 218 was realized in the preceding year on account of fees for registration of two Societies under Act XXI of 1860 and for increase in the authorized Capital of two Companies. No such registration or increase in Capital was effected during the year under report.

78. The expenditure incurred by Government amounted to Rs. 1,044 as against Rs. 996 in the year 1926-27. The increase is due to the progressive salary of the Companies Act Clerk.

79. The office of the Registrar of Joint Stock Companies was held by the following officers for the period noted against their names :—

(1) Captain W. F. Q. Shuldham, 1st April 1927 to 1st June 1927.

(2) Munshi Mangi Lal Dosi, 2nd June to 31st July 1927.

(3) Munshi Kishen Lal, 1st August to 15th November 1927.

(4) Captain I. W. Galbraith, M.C., I.A., 16th November 1927 to the end of the year.

(*h*) *Jails* (*year ending the 31st December 1927*).

80. At the commencement of the year there were 381 prisoners including convicts and undertrial and civil prisoners.

81. The number of prisoners admitted to the Jail during the year 1927 was 1925 against 1,657 in the previous year. Of these 870 were convicts, 1,032 undertrial and 23 civil prisoners. The number of prisoners discharged from all causes was 1,940 as against 1,610 during the previous year. The number of prisoners at the close of the year was 367.

82. The profits from Jail manufactures amounted to Rs. 3,589-7-9 as compared with Rs. 4,277-9-0 in the previous year.

83. The total expenditure incurred in guarding and maintaining the prisoners, including that incurred by the Public Works Department on buildings and repairs and by Magistrates in guarding and maintaining undertrial prisoners, amounted to Rs. 51,473-10-0 as against Rs. 51,269-7-0 during last year. The average cost per prisoner was Rs. 105-8-0 against Rs. 126-11-0 in 1926.

SECTION IV.

PRODUCTION AND DISTRIBUTION.

(a) *Agricultural Summary.*

(*Vide* Statement No. 31.)

84. The year under report comprises Rabi 1334 and Kharif 1335 Fasli. The average rainfall was 29 inches 8 cents, the normal being 21 inches.

85. The Rabi crops which depended on the rainfall of 1926 were good and consequently the outturn was 0-15-5 in the rupee in Ajmer, and bumper (*i.e.*, more than a rupee) in the Beawar and Todgarh Tehsils. The area sown in the three Tehsils was 79,033½ acres, of which 1,519 acres failed. The outturn was estimated at 7,58,092 maunds.

Tehsil.	Area sown.	Area failed.	Produce in mds.	
			Mds.	srs.
Ajmer	33,950	651	2,67,910	20
Beawar	27,858	541	2,61,723	0
Todgarh	17,225½	327	2,28,458	20
TOTAL .	79,033½	1,519	7,58,092	0

86. The Kharif crops depending on the rainfall of 1927 were fair, the outturn being 0-9-3 in a rupee in the Ajmer Tehsil, 0-9-4 in the Beawar Tehsil and 0-11-7 in the Todgarh Tehsil. The area sown for Kharif in the three Tehsils was 1,34,787¾ acres of which 46,144½ acres failed. The outturn was estimated at 3,49,458 maunds.

Tehsil.	Area sown.	Area failed.	Produce in mds.
Ajmer	68,415	18,374½	1,68,037
Beawar	45,061¾	21,255½	90,882
Todgarh	21,311	6,514½	90,539
TOTAL .	1,34,787¾	46,144½	3,49,458

(b) *Takavi Loans under the Land Improvement Loans Act and Agriculturists Loans Act.*

(*Vide* Statements Nos. 32 to 34.)

87. A sum of Rs. 6,000 was advanced under Act XIX of 1883 during the year under report and Rs. 100 were advanced under Act XII of 1884.

The recoveries of principal under the two Acts amounted to Rs. 92,427 out of the total advance of Rs. 4,57,838, leaving a balance of Rs. 3,65,411 outstanding at the close of the year.

A sum of Rs. 8,217 on account of interest on loans under both the Acts was also collected during the year.

(c) *Mines.*

88. During the year under report 16 prospecting licenses were issued to approved miners (14 for the extraction of mica, 1 for mica and beryl and one for mica, beryl and acquamarine) and 11 were renewed.

Two mining leases for the extraction of mica in Istimrari Estates and one in a Khalsa village were also granted during the year.

A sum of Rs. 7,180-1-0 was realized on account of Government dues for fees, rents and royalty during the year under report as compared with Rs. 2,009-11-0 in the preceding year. A considerable amount of arrears was recovered which partly accounts for the increase.

Eighteen certificates of approval to prospect and mine for minerals in the district were renewed during the year. Two new certificates were granted by the Local Administration.

(d) *Public Works.*

89. During the year under review the total expenditure incurred on Public Works (exclusive of Irrigation Works, Canals and Railways) amounted to Rs. 5,87,153 of which Rs. 5,09,158 were spent on works within the jurisdiction of the Commissioner as against Rs. 3,89,977 in the year 1926-27.

The principal projects on which expenditure was incurred were :—

1. Constructing an Income Tax Office at Beawar.
2. Constructing first class bonded warehouses at Bandanwara and Todgarh.
3. Constructing a suitors shed for the Civil Courts at Ajmer.
4. Enlarging the Sub-Judges Court and providing a Bar room at Beawar.
5. Constructing New Reserve Police Lines at Ajmer.
6. Constructing a New Police out-post at Bijai Nagar.
7. Constructing a compound wall on the South-East side of the Government College, Ajmer.
8. Improving steep gradients between 1st and 2nd furlong of the Ajmer-Pushkar Road.
9. Widening berms of the Ajmer-Beawar Road, miles 6 to 16.
10. Widening mile 4 of the Ajmer-Beawar Road.
11. Constructing a causeway in mile 12 of the Beawar-Dawair Road.

The revenue credited to Imperial Civil Works during 1927-28 on account of Ajmer-Merwara was—

1. Rs. 1,313-5-0 on account of rent realized from the Agency house Deoli.
2. Rs. 924 on account of rent realized from the Cantonment Magistrate's Bungalow at Nasirabad.

(e) *Arboriculture—Road-side tree plantation.*

90. During the year a length of 6½ miles of road was planted. The total length of Imperial roads under plantation at the close of the year was 107 miles and 7 furlongs. This includes the Beawar-Dewair District Board Road, as the arboricultural operations on this road have been taken over as an Imperial liability. A length of 4½ miles on the Nasirabad-Deoli Road was handed back to the Public Works Department, the trees on that road having reached a stage at which no further watering is required.

The total expenditure on arboriculture amounted to Rs. 11,443 against Rs. 10,167 in the preceding year.

634 head of cattle were impounded for illicit grazing as compared with 451 in the previous year.

The income derived from the sale of lac, dry wood and grass, etc., amounted to Rs. 1,642 as compared with Rs. 1,506 during the year 1926-27.

(f) Inspection of rain-gauges.

91. The number of rain gauges in Ajmer-Merwara on the 31st March 1928 was 58 of which 44 were inspected by officers of the Civil and Public Works Departments and one by the Civil Surgeon, Ajmer-Merwara. All were found in good condition.

(g) Co-operative Societies (year ending 30th June 1928).

92. The office of Registrar was held by Sardar Kartar Singh throughout the year.

93. The number of Central Societies increased from 11 to 12 during the year. It is satisfactory to note that their membership now includes 1,003 societies as compared with 825 in the preceding year. The number of individuals who are members of these Central Societies decreased from 886 to 852. Ten new agricultural societies were registered during the year but the total number decreased from 485 to 475, as 18 old societies were cancelled and two school societies were transferred to the category of non-agricultural societies. The membership was reduced from 10,166 to 9,849. The same process was evident in the case of non-agricultural societies the membership of which decreased from 8,336 to 6,367. The number of these societies increased from 94 to 95. Seven old societies were cancelled but six new societies were registered and—as shown above—there was an addition of two societies to this class by transfer.

It is no paradox to say that the decrease in the number of societies and their membership is in reality a sign of progress, indicating as it does that bad societies are being weeded out and unsatisfactory members eliminated.

94. The working capital of the central, agricultural and non-agricultural societies amounted to Rs. 21,96,628, Rs. 15,93,561 and Rs. 5,81,909 respectively against Rs. 22,61,052, Rs. 17,22,800 and Rs. 4,67,321 in the preceding year. The total working capital of all the societies amounted to nearly 43¾ lakhs of rupees.

Out of the Central Bank's working capital of Rs. 21,02,701 the Ajmer Central Bank accounts for Rs. 13,66,479 against Rs. 13,71,088 in the preceding year; the Beawar Central Bank for Rs. 6,28,266 against Rs. 6,96,479 and the Nasirabad Central Bank for Rs. 1,07,956 against Rs. 1,16,179. The working capital of the remaining 9 central societies amounted to Rs. 93,927.

95. **Ajmer Central Bank.**—There were 504 individual members and 274 societies as compared with 510 and 225 last year. The share capital remained as before, *viz.*, Rs. 1,00,000. The deposits from individual members decreased by Rs. 1,18,829 while the reserve and other funds increased by Rs. 8,564 and Rs. 2,118, respectively. The amount of profit earned by the Bank during the year was Rs. 15,710. It advanced loans to the extent of Rs. 5,94,251, Rs. 1,07,151 to individuals and Rs. 4,87,100 to other banks and societies. This together with the balance of loans outstanding at the beginning of the year, *viz.*, Rs. 9,76,079, make an aggregate of Rs. 15,70,330. Recoveries amounted to Rs. 6,35,232 during the year, leaving an outstanding balance of Rs. 9,35,098.

The Bank is now working on sound lines and continues to enjoy the confidence of the public.

96. **Beawar Central Bank, Limited.**—The membership of individuals and societies fell from 303 and 257 to 275 and 253. The share capital remained the same as last year, *viz.*, Rs. 1,01,300, but the reserve and other funds rose from Rs. 51,068 to Rs. 51,672. The deposits from individuals fell from Rs. 4,98,009 to Rs. 4,73,474. The last year's outstanding balance of loans amounted to Rs. 6,14,802 and the amount advanced during the year under report was Rs. 1,09,849, making a total of Rs. 7,24,651. The amount realised was Rs. 1,48,927 leaving an outstanding balance of Rs. 5,75,724 at the close of the year.

The Registrar's report shows that the Directors are making a genuine effort to eradicate defects and improve the working of the Bank. If they continue these efforts without paying too much attention to the clamour of shareholders, who are more interested in dividends than co-operative principles, there is no reason why this Bank should not be regenerated and become a sound institution fulfilling its true function as an integral part of the co-operative organisation of the district.

97. **Nasirabad Central Bank.**—There was no change in the share capital of this Bank—Rs. 25,000—or in the membership which consisted of 73 individuals and 80 societies. The reserve and other funds amounted to Rs. 13,236 as compared with Rs. 11,666 last year. Deposits from individuals decreased from Rs. 75,722 to Rs. 63,465. Last year's balance of loans was Rs. 98,640 and a sum of Rs. 51,713 was advanced during the year, making a total of Rs. 1,50,353, of which a sum of Rs. 51,597 was realized leaving an outstanding balance of Rs. 98,756 at the close of the year.

98. The net profits of all the central societies amounted to Rs. 30,982 as compared with Rs. 33,173 last year. The amount of reserve and other funds rose from Rs. 2,39,132 to Rs. 2,52,301.

One satisfactory feature of the working of the Central Banks is that they have stopped declaring dividends out of unrealized profits.

99. The report of the Registrar deals with the various activities of the Co-operative Department in the District. It is satisfactory to note that the 12 Mortgage Banks and Societies have made a good start and are doing useful work. There is a wide field open to this branch of Co-operation in Ajmer-Merwara. The cattle-breeding societies are in present circumstances not likely to be very successful but can increase their usefulness by adopting the Registrar's suggestions. If in the near future, as the result of the recommendations of the Royal Commission on Agriculture in India, a regular Veterinary Department for the district is organised, the expert advice, which is essential for their success, will be available for these societies. The Beawar Better Farming Society also needs expert help. As the District Board maintains an Agricultural Farm near Beawar, this society can have the benefit of the Farm Superintendent's guidance, and profiting by his advice, they have already achieved results of practical value. It is probably advisable, however, to wait until Ajmer-Merwara has a properly organised Agricultural Department before starting societies of this class in other parts of the district.

Mention may be made of the interesting experiments made in Nasirabad where the enterprise of the sweepers in organising a Better Living Society and a Conservancy Society (the Nasirabad Co-operative Shah Safai Society, Limited (shows promise of achieving the success which it deserves.

100. Sardar Kartar Singh has done very good work since he came to the district from the Punjab as Registrar. Under his guidance the co-operative movement is developing on sound lines and steady progress is being made, though, as he observes, consolidation rather than expansion is at present required. The staff working under him have, with a few exceptions, done well and have a good record of work accomplished during the year to their credit. The improvement in the auditing and inspection work is especially satisfactory, and also the progress made in liquidating unsound societies. All the Inspectors spent more time on tour than during the previous year ; out of 590 societies of all kinds the accounts of 578 were audited ; and the number of liquidations completed was larger than in any previous year.

As the Hon'ble the Chief Commissioner remarked last year the movement still requires to be most carefully watched. There are still defects to be removed and mistakes of the past to be rectified and avoided. I think that the policy which the Registrar is following and the results already achieved justify the hope that Co-operation in Ajmer-Merwara will soon be a sound and flourishing organism. The Royal Commission on Agriculture have pointed out the importance of co-ordinating agricultural and co-operative activities and the mutual interdependence of the Co-operative and Agricultural departments. Ajmer-Merwara has in the past suffered from having no regularly organised Agricultural Department of its own. If in accordance with the Commisssion's recommendations this disability is now removed one result that may confidently be anticipated will be an impetus to the co-operative movement, and steady progress and expansion in this direction.

101. This review would be incomplete if no mention were made of the debt which the district owes to successive Registrars of Co-operative Societies in the Punjab. Their expert guidance and the assistance, which they have always readily given in pointing out defects and suggesting improvements, have been invaluable. Thanks are due on this account to Mr. C. F. Strickland, I.C.S., and Mr. M. L. Darling, I.C.S., for help and advice received during the past year.

(*h*) *Agricultural Stock.*

102. The Table below compares the result of the enumeration of Agricultural Stock in Ajmer-Merwara, during the year under report with the figures of the two preceding years :—

—	1925-26.	1926-27.	1927-28.
Cows and Bullocks	3,06,986	3,13,155	3,00,688
Buffaloes	1,12,207	92,366	1,88,329
Sheep and Goats	5,30,532	5,05,600	4,16,753

There was no outbreak of disease among cattle.

(*i*) *Forests.*

103. Apart from arboricultural operations which have already been dealt with above, the total receipts and expenditure of the Ajmer-Merwara Forests for the year under report amounted to Rs. 74,803 and Rs. 64,085, respectively, as compared with Rs. 65,888 and Rs. 53,036 in the preceding year.

The net surplus was thus Rs. 10,718 against Rs. 12,852 last year. The increase in receipts was due to the fact that better prices were obtained this year for Forest produce, especially firewood and charcoal. The increase in expenditure is mainly due to capital outlay on constructing quarters for the subordinate establishment, and other buildings. This and the amount spent on improving Forest roads is money well spent.

104. The scheme for the collection and storage of grass by the Forest Department as an insurance against famine has been revised in consultation with Captain Baker, Assistant-Controller, Military Grass Farms, Jubbulpore, who has given much valuable advice. The revised scheme is now under the consideration of the Local Administration.

105. The suggestion made by the Extra Assistant Conservator of Forests that something should be done to encourage villagers to utilise to the best advantage the amounts distributed on account of Forest profits, instead of wasting them, is one that deserves to be carefully considered.

106. L. Sita Ram Puri, Extra Assistant Conservator of Forests, takes a keen interest in the various activities of the department and has done very good work in developing and exploiting the Forest areas.

(*j*) *Factories.*

107. During the year 1927 the total number of factories registered under the Indian Factories Act, decreased from 38 to 37, of which four remained closed throughout the year. One new cotton ginning factory was registered, and one printing press and one cotton ginning factory were removed from the register. The factories which remained closed were cotton ginning and pressing factories.

The total number of operatives in all factories decreased from 15,916 in 1926 to 15,376 in 1927. The number of operatives in the Bombay, Baroda and Central India Railway workshops in Ajmer fell from 11,091 in 1926 to 10,922 in 1927, and in all other factories from 4,825 to 4,454, this latter decrease being more or less confined to the cotton ginning factories which required less labour is consequence of the poorness of the cotton crop.

108. **Accidents.**—217 accidents occurred during 1927 as compared with 459 in 1926. The decrease is chiefly in the Bombay, Baroda and Central India Railway workshops in which 195 accidents occurred in 1927, as compared with 447 in 1926. This decrease is to some extent due to the fact that previously many of the accidents reported as factory accidents were really accidents to workmen employed on shunting operations.

109. **Prosecutions.**—No prosecution was instituted during the year 1927.

110. **Exemptions.**—No exemption was granted under the Indian Factories Act, during the year 1927.

SECTION V.

REVENUE AND FINANCE.

A.—IMPERIAL.

(a) Land and water Revenue.

111. **Demand and Collections, etc., of land and water Revenue** *vide* **statement No. 35.**—The current demand on account of Land and Water Revenue for the year amounted to Rs. 3,85,440 as against Rs. 3,51,736 for the year 1926-27 as shown below :—

—	1926-27.	1927-28.
	Rs.	Rs.
Khalsa villages	2,37,002	2,70,706
Istimrari area	1,14,734	1,14,734
	3,51,736	3,85,440

Including the arrears of the previous years the total demand aggregated Rs. 4,59,417 against Rs. 4,27,004 for the year 1926-27. The total collection amounted to Rs. 3,92,402 against Rs. 2,99,834 in the year 1926-27 as detailed below :—

—	1926-27.	1927-28
	Rs.	Rs.
Khalsa Villages	2,00,326	2,82,085
Istimrari area	99,508	1,10,317
	2,99,834	3,92,402

A sum of Rs. 266 was remitted in the district during the year under report. The balance of Land and Water Revenue on the 31st March 1928 was Rs. 66,750 of which Rs. 61,744 remained outstanding against the Istimrari area and Rs. 5,006 against Khalsa villages.

112. **Variable assessment.**—The system of fluctuating assessment in 46 villages worked satisfactorily. The following table compares the assessment made in the year 1335 Fasli (1927-28) with the Standard revenue fixed :—

Name of Tahsil.	STANDARD.			ASSESSMENT FOR 1927-28.		
	Land Revenue.	Water Revenue.	Total.	Land Revenue.	Water Revenue.	Total.
	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
Ajmer	14,473	1,523	15,996	15,135	1,624	16,759
Beawar	2,800	1,547	4,347	3,007	902	3,909
TOTAL	17,273	3,070	20,343	18,142	2,526	20,668

The decrease in the assessment in Beawar was due to a considerable reduction in the irrigated area actually cultivated.

113. **Land Revenue miscellaneous receipts,** *vide* **statement No. 35.**—The miscellaneous income during the year amounted to Rs. 15,075 against Rs. 9,896 last year.

114. **Prices.**—The retail prices of the principal food grains, barley and maize, were as follows :—

—	Barley.				Maize.			
	June 1927.		January 1928.		June 1927.		January 1928.	
	Sr.	ch.	Sr.	ch.	Sr.	ch.	Sr.	ch.
Ajmer	10	0	11	8	9	12	11	2
Beawar	10	6	12	8	9	8	11	0
Todgarh	12	8	14	0	8	0	12	8

115. **Revenue process.**—In Khalsa villages 743 writs and 191 warrants were issued for the recovery of Land and Water Revenue and Taccavi instalments.

116. **Loans to Talukdars under the Ajmer Talukdars loan Regulation, 1911 (Dami loan).**—The amount advanced to Talukdars during the year was Rs. 1,44,245-9-3 making with the outstanding balance a total demand of Rs. 4,28,523-5-4 of which a sum of Rs. 15,221-8-3 was recovered.. Recoveries on account of interest on these loans amounted to Rs. 12,194-1-5.

(*b*) *Excise, Opium and Drugs* (*Vide* Statements Nos. 36 to 40-D.)

117. **Excise, Opium and Drugs.**—The total receipts during the year from Excise, Opium and Drugs, amounted to Rs. 7,07,673 as against Rs. 6,88,556 in the preceding year showing an increase of Rs. 19,117. This was mainly due to increased consumption of country liquor which is one of the ways in which the prosperity attending a favourable monsoon manifests itself.

The expenditure amounted to Rs. 36,219 as against Rs. 36,411 in the preceding year.

118. The net revenue after deducting expenditure was Rs. 6,71,454 as against Rs. 6,51,905 last year. There were no refunds during the year.

119. The incidence of Excise Revenue per head of population rose from Rs. 1-6-2 to Rs. 1-6-10 during the year under report.

120. **Country Spirit.**—There was no change in the rates of still-head duty which continued to be Rs. 8 per proof gallon for the urban area and Rs. 5-10-0 for the rural area.

The total quantity of liquor issued from the distillery amounted to 71,211·4 proof gallons as compared with 67,129·2 last year.

The number of licensed liquor shops was the same as last year.

121. **Toddy.**—The monopoly for the tapping and vend of toddy was given for Rs. 700 as in the previous year.

122. **Foreign Liquor.**—License fees for the wholesale and retail vend of foreign spirits and foreign fermented liquors amounted to Rs. 1,588 as against Rs. 1,812 during the previous year. The number of licenses issued was the same as last year *viz.*, 14.

123. **Opium.**—The total opium receipts amounted to Rs. 52,857 as compared with Rs. 49,563 in the previous year.

The total number of licenses issued for the wholesale and retail vend of opium was 5 and 40, respectively as compared with 4 and 41 in the preceding year.

124. **Poppy Cultivation.**—Cultivation of the poppy is entirely prohibited in the District.

Opium weighing 20 seers was exported to Mount Abu. The only other export being 8 chataks sent to Hyderabad Deccan.

Confiscated opium weighing 27 maunds 28 seers was sent to the Opium Factory at Ghazipur.

125. **Hemp Drugs.**—The receipts from hemp drugs amounted to Rs. 66,446 as against Rs. 60,727 in the preceding year.

The number of shops for the retail vend of intoxicating drugs remained unchanged, *viz.*, 16.

126. **Cocaine.**—The quantity of cocaine imported and consumed during the year under report was as follows :—

	Grains.
Balance in hand on 1st April 1927	$3,324\frac{1}{96}$
Imported from outside the district	$1,036\frac{21}{32}$
Supplied locally	$218\frac{3}{4}$
TOTAL . . .	$4,579\frac{5}{12}$
Consumption during the year	$1,979\frac{}{12}$
Balance in hand on 31st March 1927	$2,600\frac{1}{3}$

Confiscated cocaine weighing 1 lb. 8 oz. 380·475 grains was received during the year. This being unfit for human consumption will be destroyed.

127. **Prosecutions.**—Forty-four persons were prosecuted under the Excise Regulation of whom 33 were convicted. Under the Opium Act 33 persons were prosecuted of whom 28 were convicted. Ninety-seven persons were convicted under the Police Act for drunkenness as compared with 109 in the previous year. Fourteen persons were arrested for illicit possession and sale of cocaine. Four of these were convicted.

128. The Excise Department is making every effort to stamp out the illicit cocaine traffic.

129. **Excise Intelligence Bureau.**—Important cases of seizure of opium are reported to the Opium Contraband Department.

130. The problems confronting the Excise Department in this District, specially as regards smuggling, are of peculiar difficulty . The Department is dealing with them with considerable success ; smuggling has been reduced to a minimum ; and a high standard of general efficiency is being maintained. For these results the greatest credit is due to Rai Bahadur Pandit Piaray Lal, Extra Assistant Commissioner of Excise, and the staff working under him.

(c) *Stamps* (*vide* statement No. 41.)

131. The gross income from stamps amounted to Rs. 3,01,590 as compared with Rs. 2,74,046 in the year 1926-27 as shown below :—

—	1926-27.	1927-28.	Difference.
	Rs.	Rs.	Rs.
Judicial Stamps	2,09,590	2,34,915	25,325
Non-Judicial Stamps	64,456	66,125	1,669
Recoveries in Pauper suits	..	550	550
	2,74,046	3,01,590	27,544

The increase in the sale of Judicial and Non-Judicial Stamps is due to a slight increase in litigation and to the fact that trade conditions were somewhat better than in the previous year.

There was no prosecution for breach of the Stamp law during the year.

The expenditure on account of the refund of the value of stamps was as under :—

	Rs.	A.	P.
Judicial Stamps	873	6	0
Non-Judicial	2,265	4	0
	3,138	10	0

132. The discount paid to the Stamp vendors in the District was Rs. 4,611 against Rs. 4,195 in the preceding year.

The total charges in connection with the working of the Stamp Department amounted to Rs. 25,648 * against Rs. 25,873 in the preceding year.

* Includes—	Rs.
1. Discount on sale of stamp	4,611
2. Contingencies	849
3. Pay of clerk	532
4. Pay of Process serving establisment	19,656
	25,648

(d) *Income Tax and Super Tax.*

133. **Income-Tax.**—Of the total demand of Rs. 2,06,528-15-0 a sum of Rs. 8,284-2-0 was refunded and Rs. 30,201-2-0 remained outstanding on the 31st March 1928.

The net collections (including excess collection and advance payments) amounted to Rs. 1,72,898-15-3 as compared with Rs. 1,41,166-4-0 in the previous year. In addition to this a sum of Rs. 27,675-9-2 as shown below was collected at source, in respect of which no information is available in this office :—

	Rs.	A.	P.
1. Tax deducted by Government from salaries, etc.	11,071	14	10
2. Deduction by Local authorities from salaries and pensions	16,603	10	4
TOTAL	27,675	9	2

134. **Super-Tax.**—The net collection on account of Super-Tax amounted to Rs. 75,685-14-0 as compared with Rs. 35,978-3-0 in the previous year.

135. The total collection of Income-Tax and Super-Tax amounted to Rs. 2,76,260-6-5. The number of persons assessed to tax by the Income-Tax Officer, Ajmer-Merwara, was 783 as against 656 in the previous year.

No person was prosecuted for failure to submit accounts. The cost of collection amounted to Rs. 9,947-4-1 as compared with Rs. 8,850 in the preceding year.

136. Nineteen appeals were filed under Section 30(1) of the Indian Income-Tax Act, 17 of which were disposed of. A sum of Rs. 764-11-0 was remitted on appeal. There was no application for review under Section 33(1) of the Act.

137. The expenditure amounted to 3·45 per cent. of the total collection. The incidence per head of population (4,95,971) in the District of Ajmer-Merwara was 8·9 annas.

138. There was no improvement in trade conditions during the year and traders' profits were reduced on account of poor sales.

139. Rai Bahadur Pandit Piaray Lal Bhargava, Extra Assistant Commissioner, continued to perform the duties of Income-Tax Officer with commendable zeal and efficiency.

B.—Revenue and Finances other than Imperial.

(e) *District Fund.*

140. The year opened with a cash balance of Rs. 36,971 excluding the Dispensary Fund balance of Rs. 857.

Receipts and expenditure amounted to Rs. 1,28,271 and Rs. 1,41,158 respectively against Rs. 1,08,980 and Rs. 1,20,849 in 1926-27.

Grants received from Government for Agricultural Farms and for the construction of Primary Schools account for the greater part of the increase in receipts.

The increase in expenditure is mainly due to expenditure under the following heads :—

Audit Charges.

Educational and Industrial Exhibition and Teachers' Conference.

Veterinary and Agricultural operations.

Printing and Stationery.

Construction of Primary Schools.

Special repairs to the Merwara Roads and the Pushkar Dak Bungalow.

(f) *Local Funds.*

141. **Dispensary Fund.**—The cash balance at the credit of the Ajmer-Merwara Dispensary Fund at the beginning of the year amounted to Rs. 857.

The receipts during the year under report amounted to Rs. 9,622 against Rs. 11,582.

The expenditure during the year amounted to Rs. 9,928 as compared with Rs. 11,422 in the preceding year.

The year closed with a cash balance of Rs. 551 exclusive of investments in Government Securities to the extent of Rs. 44,000.

142. **Chowkidari Fund.**—The receipts amounted to Rs. 18,812-1-9 as compared with Rs. 15,356-5-3 in the previous year., the increase being due to the recovery of arrears of Chowkidari Cess.

The expenditure was Rs. 14,575-12-8 as compared with Rs. 16,014-7-6 last year. The decrease is due to the fact that clothing, which is issued to Chowkidars every third year, was not issued during the year under review.

143. The condition of the Fund is sound, the closing balance on the 31st March 1928 being Rs. 9,054-1-0. In addition to this cash balance there are investments aggregating Rs. 25,000 and a permanent advance of Rs. 50 at the credit of the Fund.

144. **Nasirabad Cantonment Fund.**—The total receipts amounted to Rs. 94,252 as compared with Rs. 91,704 in 1926-27. The increase of Rs. 2,548 was due to increase in the income from Octroi.

The expenditure amounted to Rs. 86,730 as compared with Rs. 93,767 in the preceding year, the decrease of Rs. 7,037 being accounted for by the fact that no original work was carried out during the year under report.

SECTION VI.

PUBLIC INSTRUCTION.

(*Vide* Statements Nos. 46 to 55.)

[Compiled by R. Littlehailes. Esq., C.I.E., Superintendent of Education, Delhi and Ajmer-Merwara].

145. **Direction and Inspection.**—Mr. J. A. Richey, Educational Commissioner with the Government of India who holds collateral charge of the post of Superintendent of Education in Ajmer-Merwara, proceeded on leave preparatory to retirement on the 31st March 1927, and I took over charge about the beginning of April. Mr. P. B. Joshi continued to work as Assistant Superintendent of Education. The 5 years programme of Educational expansion added one Deputy Inspector and one Assistant Inspectress of Schools to the Inspecting Agency. These additions have made fairly efficient inspection of rural schools possible, but they do not help the solution of the main educational difficulty before the administration—that of finding a local agency to guide and control education in Ajmer-Merwara to which reference has been made on more occasions than one during the last two or three years.

146. **University and Collegiate Education.**—Mr. Miller continued to be the Principal of the Ajmer Government College during the year. The number of students rose from 125 last year to 148. The college continued to be popular and is almost full to its accommodating capacity. The introduction of Biology for the teaching of which buildings are at present under construction, is a welcome step and may help to increase the number further.

147. The following table shows the results, which are fairly satisfactory, of public examinations held in 1927-28 :—

Examinations.	Number sent.	Number passed.
B.A.	5	3
B.Sc.	8	5
Intermediate Arts	33	23
,, Science	17	9
TOTAL	63	40

The Hostel attached to the College is quite full and well managed.

148. **Secondary Education.**—There has been an increase in the number of Secondary schools for boys by one, and in the number on the rolls in these schools by 200. The number of girls Secondary Schools remained the same as last year, but one of the Middle Schools was raised to the Standard of a High School. Primary sections of Girls Secondary Schools have, for the sake of uniformity, been classed under the "Primary Head" in the statistics, and consequently the Girls Secondary Schools show a decrease of scholars by 900 as against a similar increase under Primary.

149. **The Government High School, Ajmer.**—The work of the school continued to be efficient. At the close of the year Mr. Harris, the Head Master, proceeded on leave, and Khan Saheb Syed Raza Hussain took over charge as Officiating Head Master. At the last U. P. Boards High School Examination 50 students came out successful out of 60 sent up, one gaining a first class and two distinction in Mathematics. The number on the rolls in the school was 541 and the average daily attendance was 504 as against 518 and 504 last year. The Hostel attached to the school continued to be well managed and quite full.

150. **The Moinia Islamia High School, Ajmer.**—The number on the rolls in this school rose to 327 from 306 last year. The average attendance during the year was 310 as against 220 last year. On the transfer of Khan Saheb Syed Raza Hussain as Officiating Head Master, Government High School, Mr. L. B. Tarlekar was appointed officiating Head Master of this school. At the last High School Examination of the U. P. Board 8 boys came out successful out of 13 sent up, one gaining distinction. Along with the additional accommodation now being put up, facilities have been provided for the teaching of additional optional subjects like Science, also funds have been sanctioned for improvement of the strength of the teaching staff, as well as improvement of salaries. All these changes are calculated to improve the school considerably.

151. **Recognised High Schools.**—The number of aided High schools for boys remained 7 as last year, but the number of Girls High Schools rose from 1 to 2. Aided High Schools have still to improve considerably in efficiency before they come in line with the Government Schools. At present, owing mainly to the difference in the standard of work obtaining in these two classes of institutions, signs are not lacking of the existence of competition between Government and privately managed schools. Efficiency of the private schools is chiefly dependent on money grants, and efforts are being made to provide funds for increased grants-in-aid from Imperial funds. It is hoped that as a result of this increase, managements of schools will be able to improve the salaries of staff and thus secure more efficient and qualified teachers and improve the standard of tuitional work.

152. **Vernacular Secondary Schools.**——A New Vernacular Secondary school was opened at Deoli, thus increasing the number of Vernacular Secondary schools in the District by 1. The enrolment in these schools increased by 25 during the year. An important feature was that facilities for the study of English were provided in 3 more schools in rural areas as a result of the 1st year expansion programme. It is hoped that almost all secondary schools will have English as second Language within the next 4 years. Tuitional work continued to be satisfactory. Out of 79 candidates sent up for the Vernacular Final Examination 46 came out successful. The experimental manual training class at Bhim worked satisfactorily during the year. There is need to open such classes at other centres as well. Government have sanctioned funds for additional accommodation in Vernacular Secondary Schools and also for Boarding Houses, the need for which was long felt.

153. **Primary Education.**—The number of Primary Schools for boys has increased by 12, and the number of scholars by 893. The number of primary schools for girls has also increased by 12 (3 Government and 9 private due only to the separation of Primary Sections as explained elsewhere). The increase in the number of schools is mainly due to the programme of expansion which provided for 10 new Primary Schools for boys and 3 for girls in rural areas. The number on the roll in public schools for boys and girls has risen by 2,115.

154. **Buildings.**—The Government of India made a grant of Rs. 22,500 to the District Board for Primary school buildings. New school houses and additional rooms have been provided at Pushkar, Bhinai, Baghsuri, Saradhna and Harmara and minor works were carried out at Nagola, Karel, Jalia and Durgawas.

Rural Boards.

155. **Primary Education and Local Bodies.**—The Ajmer District Board spent Rs. 18,577 during the year on the salary of primary school teachers including contingencies, etc., and buildings. Otherwise rural primary education was as usual entirely financed and maintained by Government. Besides this the District Board set aside a sum of Rs. 1,000 for grants-in-aid to indigenous schools in rural areas. This sum has been distributed among such schools and they show signs of improving as a result of the award of grant and departmental inspection.

Urban Boards.

156. **Ajmer.**—As was expected, the transfer of Primary Education to the Ajmer Municipal Committee has resulted in a marked activity on the part of that body in education. The Education Sub-Committee held 10 meetings during the year and discussed means to improve facilities for Primary Education in the town. The Municipal Board's expenditure on education was Rs. 13,415. The expendi-

ture was mainly on the salaries of the staff of the Municipal Vernacular boys and girls schools. Rs. 4,144 were given in grant-in-aid to private schools. The Chairman reports that " Owing to the paucity of funds, the Municipality could not give grants-in-aid to the recognised and un-recognised schools to the full amount permissible according to rules sanctioned by the Local Government. They expect, however, to increase the amount during the year 1928-29 ". The Chairman expresses his appreciation of the work of the Convener Mr. H. M. C. Harris. Considering the population of Ajmer, the Municipality has still a very great deal to do before educational facilities are made available to every child of school going age, but a beginning has been made, and considering the present zeal of the Committee the out-look is hopeful.

157. **Beawar.**—During the year under review the Committee spent Rs. 4,112 on primary education and maintained 4 primary schools in different parts of the town which imparted free primary education to 274 children. " The Committee," the Chairman reports, " is contemplating to make primary education compulsory. This scheme is on foot, and is shortly to be submitted for approval."

158. **Kekri and Deoli.**—For want of funds the question of handing over primary education in Kekri to the Local Boards remained undecided during the year. Deoli has very little income of its own and consequently a Government school has been established for boys and one for girls in the Municipal area.

159. **Nasirabad Cantonment Board.**—No progress was made in the negotiations regarding the transfer of Primary Education to the Cantonment Board. At one time the Board showed their willingness to take over this branch of Public instruction and finance it to the extent of Rs. 2,400 per annum. Subsequently, however, this decision was reversed, and when the year closed the Cantonment was still paying that amount to the Mission High School, and other private enterprise in Primary Education in the Cantonment area was not receiving any substantial encouragement.

160. **Girls Education.**—The Assistant Superintendent of Female Education, Delhi, continued to be in charge of Girls Education with the newly appointed Assistant Inspectress of Schools in immediate charge. Three new Girls Schools were opened in rural areas as sanctioned in the 5 year programme. The total number of girls reading in all schools on March 31st, was 2,745 as against 2,349 last year. Girls education in the district is making very slow progress, but signs in the shape of a marked sprinkling of girls in boys schools and satisfactory enrolment in girls schools are not wanting to show that the demand for education of girls is on the increase. The Girls Secondary School at Ajmer has improved under the control of the new Head Mistress who has to perform dual duties of Head Mistress and Assistant Inspectress of Girls Schools in Ajmer-Merwara. It is intended gradually to convert this institution into an Anglo-Vernacular High School. The Sophia School is growing very popular with the Indian public and has now an enrolment of 131 girls.

161. **Muslim Education.**—The number of Mohammedan scholars in public schools has increased from 1,764 to 2,045. The number of Muslim private schools is still high. Some private schools in rural areas are maintained by the Tablig and the Muslim League, and towards them the District Board paid a sum of Rs. 200 as grants-in-aid. The precentage of Muslim scholars in both public and private schools to the total Muslim population is 3·5 (5·09 of male scholars to male population and 1·2 of female scholars to female population).

162. **Depressed Classes.**—Depressed class children in Ajmer-Merwara find admission into all the schools without any restriction, and at present 1,303 children are reading in all public and private schools in the District. Considering the total population of the depressed classes (84,000 roughly) this number is not very encouraging, but it is hoped that before long these numbers will increase. Possibly some sort of encouragement is necessary to such children to attract them to school.

163. **Training Schools.**—The Anglo-Vernacular Training class which was started last year along with the V. T. C. in the Normal School at Ajmer has become popular. The number of stipends for Anglo-Vernacular training has increased from 10 to 15 in the expansion programme. Nine boys came out successful out of 20 sent up for V. T. C. and 13 out of 16 sent up for the C. T. Examinations. Besides the Normal Training School at Ajmer, there is a P. T. C. Training class at Beawar, and V. T. C. for girls at Nasirabad.

164. **Adult Education.**—Schools for Adult Education in rural areas are becoming popular, and two new night schools were started at Bhim and Jalia. Efforts are being made to provide for adult education at all Secondary Centres and this will be done as soon as funds are available. Unfortunately the Co-operative Department has not been able to provide any funds for this branch of Education. Three schools that are now working are maintained totally at the cost of the District Board, which pays a grant-in-aid to the Co-operative Department for Adult schools in rural areas.

165. **Professional Scholarships.**—None of the students for the entrance Examination at Rurkee came out successful during the year, and consequently no boy was sent for the Civil Engineering Course. Two students from the Government College who were sent for Agricultural education at Poona as Government stipendiaries are continuing their studies there.

166. **Scouting and Games.**—The Boy Scout and Girl Guide movements have made remarkable progress during the year, in both urban and rural schools. Games are regularly played in all the schools. Tournaments were also organised on the occasion of Teja Fair at Kekri and Beawar.

167. **European Education.**—Mr. Miller, the Principal of the Government College, continued to be in charge of European Education in the District and along the Railway line. The number of European schools under the administration of the District decreased from 8 to 7. This was due to the closing of the Railway European Primary School at Jodhpur. The number of scholars on the roll in European Schools increased from 654 to 671 (383 boys and 288 girls).

168. **Conference.**—The Second Annual Teachers Conference was held during the year in the month of October and was a marked success. Along with the Conference an Industrial and Educational Exhibition was also organised. Thanks to the labours of the Committee appointed for the purpose, the exhibition was an unqualified success. It was the first exhibition of its kind held in these parts, and was visited by over 10,000 people.

169. **General.**—The Quinquennial Review for the 5 years ending March 1927 was compiled during the year and published soon after the year closed. The year witnessed considerable activity in the Department. The first year's Educational Expansion Programme, to which a reference has been made in the body of this report increased Government expenditure on Education by Rs. 41,813. Ten Primary Schools for boys and three for Girls were opened in rural areas, and these schools account for an increase of 297 boys and 65 girls in the total enrolment of the District. Considering the progress made in Education by Ajmer-Merwara during recent years, and in view of the funds available for expansion during years to come, the Administration can look forward to a very marked improvement in education within the next three or four years, especially if more satisfactory arrangements than the present are made for the control and direction of the Department.

SECTION VII.

GENERAL MISCELLANEOUS.

(a) *Pushkar Fair.*

170. **Pushkar Fair.**—The annual religious fair at Pushkar including the Horse and Cattle Show was held from the 5th to 9th November 1927. The fair was attended by a large number of pilgrims.

A large number of animals was brought to the Fair but sales were slightly less than in the previous year as will be seen from the following figures :—

Year.	No. of animals brought.	No. of animals sold.	Sale amount.	Amount of Capitation tax realised.
1926	16,646	8,477	6,12,741	20,298 4 0
1927	17,568	8,441	5,31,291	20,574 4 0

171. Prizes to the extent of Rs. 1,189 were awarded to the various show classes by the Judging Committee. A silver medal was given by the National Horse Breeding and Show Society of India for the best country bred horse in the show.

The Police, sanitary and other arrangements in connection with the Fair were satisfactory.

(b) *Urs Fair.*

172. The annual Urs Fair in connection with the shrine of the Durgah Khwaja Moinuddin Chishti at Ajmer was held from the 26th December 1927 to 1st January 1928.

The number of pilgrims who attended the Fair was about 50,000.

The usual police arrangements were made. No serious crime occurred and the Fair passed off quietly.

(c) *Beawar and Kekri Teja Fairs.*

173. The Annual Teja Fair at Beawar was held on the 6th September 1927 and was attended by about 10,000 persons.

174. The Teja Fair at Kekri was held from the 4th to 6th September 1927. The gathering at the Fair was estimated to be between 5,000 to 6,000. The usual inter-school sports and sports for the public were a feature of the fair.

(d) *Printing presses.*

(*Vide* Statement No. 56).

175. There were 28 printing presses, *viz.*, two more than in the year 1926.

The number of newspapers and periodicals was 7 and 18, respectively as compared with 7 and 17 last year.

176. Four books in English, 79 in Hindi, 4 in Sanskrit and 11 in more than one language were printed during the year 1927.

(e) *Bhumias Darbar.*

177. The District Magistrate received the usual Nazrana from the Bhumias on the 4th June 1928, the day fixed for the observance of the birthday of His Majesty the King-Emperor. The customary inspection of the Bhumias arms and also, in the case of the mounted Bhumias, of their horses was made. Of the total amount of Nazrana due from them, *viz.*, Rs. 3,959-0-6, a sum of Rs. 3,905-5-6 was received at the Darbar, the remainder being recovered later.

(f) *Rajputana Museum, Ajmer.*

178. The Museum was started in 1907 and is in-charge of a Curator appointed by Government. It is managed by a Committee of which the Commissioner, Ajmer-Merwara, is *ex-officio* President.

179. During the year under Report 16 gold, 58 silver and 30 copper coins and 4 antiquities were added to the Museum. Twelve inscriptions were copied and 39 books—25 by purchase and 14 by gift—were added to the library.

180. The total receipts including the opening balance of Rs. 1,391-10-3 amounted to Rs. 6,018-6-10. Of this sum Government contributed Rs. 3,770-3-0 and local bodies Rs. 825-0-0. The total expenditure amounted to Rs. 4,537-10-0, leaving a balance of Rs. 1,481-5-10.

(g) *Treasure Trove.*

181. No case was reported which could have been dealt with under the Treasure Trove Act, VI of 1878.

Total	118	419	378	25	12	16	

Note.—Column 1, Sub-head 6.—Complaints fined under Section 250 are not to be entered as convicted in Statements 2, 4 or 5, but the fact of the fines having been imposed may be noted in the column of Remarks of Statement 2 against the complaint preferred by them.

Column 1, Sub-heads 2 and 3.—Cases under sections 107, 108, 109, 110, 118, 120, 123, C. P. C., will also appear under the appropriate head of the Schedule in Statement 2. Persons convicted under these heads and required to give security or recognizance under sections 190, 123, C. P. C., will also appear in Statement 5.

Column 1, Sub-heads 4, 5 and 8.—Cases under these Sub-heads will not appear in Statement 2, 4 or 5. Jury cases under Chapter … will, however, appear in Statement.

G. C. GIBSON,

Commissioner and Sessions Judge, Ajmer-Merwara.

Judicial Statement No. 4 (Criminal).

No. 14.—Statement showing the General Result of Criminal Trials in the Tribunals of various classes in Ajmer-Merwara in the year 1927.

Class of Courts.	Total number of persons under trial.	Persons whose cases were disposed of		Convicted.			Persons remaining under trial at the end of the year.	Number of cases disposed of during the year.	Average number of days during which each case lasted.	Number of witnesses examined.	Cases pending at the close of the year.	Remarks.
				On regular trial.		On summary trial.						
		Died, escaped or transferred to another province.	Discharged or acquitted.	Sentence passed.	Released on probation, Section 562, Criminal Procedure Code.	Sentence passed.						
1	2	3	4	5	6	7	8	9	10	11	12

Court of Sessions	82	...	39	31	1	...	11	20	55·80	316	3	
Total	15,059	26	5,189	6,758	1	540	2,545	8.779	52·42	4,983	1,001	

NOTES—Column 1.—Sub-head "Court of Sessions."—Includes cases decided by Sessions Judges on reference under Section 123, C. P. C.

Column 1.—Sub-head "Superior Courts."—Includes cases decided by the High Courts on reference under Section 307 and 374, C. P. C.

Column 2.—That is, the total of the entries in columns 3 to 14. The cases of persons transferred from Court to auditor in the same province will appear only against the Court by which d ecided or in which pending at the end of the year if not decided.

Column 3.—A note against the figure for each court should be made in the column of remarks showing separately how many accused persons were transferred to another province.

Columns 5 and 6.—Persons whose cases were referred to a Superior Court for higher punishment for orders under Section 562, Criminal Procedure Code, or for conformation of sentence will be entered in column 7, and not in columns 5 and 6 against the Court making reference. Against the Court receiving the reference they will be shown as convicted or acquitted, according to the orders passed by it, or as pending if orders have not been passed.

Column 7.—These cases will also be shown against the magistrates, who made the reference; entry being made as directed above.

Column 8.—An insane accused who has been sent to a lunatic asylum should be kept on the file and entered in this column until he has been tried and either convicted or acquitted.

Column 9.—Omit cases in which the accused died, escaped or was transferred.

Column 10.—In calculating the duration, before the Magistrate's Courts, the starting points to be taken is not the date of complaint or information but that of apprehension or attendance on summons or otherwise of the accused. As regards Courts of Sessions, the actual number of days occupied should be given, commencing from the date of commitment. Cases in which the accused has absconded before arrest or has escaped from custody should be taken off the file till the persons implicated appear again.

General.—The figures in this statement should agree with those of Statement No. 2, and should include nothing else.

E. C. GIBSON,
Commissioner and Sessions Judge, Ajmer-Merwara.

Judicial Statement No. 5—(Criminal).

No. 15.—Statement showing the punishments inflicted by the various Criminal Tribunals in the district of Ajmer-Merwara in the yea r1927.

NOTES.—Column 1.—Sub-head "Courts of Sessions."—Includes cases decided by Sessions Judges on reference under Sections 31, 34 and 123, C. P. C.

Column 2.—Sub-head "Superior Courts."—Includes cases decided by High Court on reference under Sections 307 and 374, C. P. C.

Column 19.—Includes fines realized during the year, though imposed in previous years. This column is intended to show the realized portions of fines imposed by officers in the exercise of original jurisdiction only.

Column 20.—Represents compensation awarded to complainants under Section 545, Act V of 1898. These awards should also be shown under the head "fines", "imposed" and "realized" in columns 18 and 19, for they form part of such fines.

General.—(1) The total of columns 5 and 11 should correspond with the total of columns 21 to 25 (both inclusive), and the total of column 8 should correspond with totals of columns 12 to 17 (both inclusive) and the total of column 9 should correspond with the totals of columns 26 to 28 (both inclusive).

(2) This statement is meant to exhibit every sentence passed and, where two penalties are inflicted on the same offender, to exhibit them both. Further to reconcile the number of persons entered in this statement as punished with the number entered as convicted in Statement 4, it is necessary to note cases such as those in which fulfilment of contract is ordered under Act XIII of 1859 in a footnote. As regards persons whose cases were referred for higher punishment or for confirmation of sentence, punishment, if any sanctioned by the High Court, should be entered against such High Court and not against the Court making the reference.

N.B.—Columns Nos. 3, 4, 7, 17, 28 and 29 are blank.

E. C. GIBSON,

Commissioner, Sessions Judge, Ajmer-Merwara.

Judicial Statement No. 6—(Criminal).

No. 16.—Statement showing the result of appeal and revision in criminal cases in the District of Ajmer-Merwara in the year 1927.

Tribunals.	Number of Persons.										
	Total number of appellants and applicants for revision before the Courts.	Died, escaped, or transferred to another province.	Appeals or applications rejected.	Sentence or order confirmed.	Sentence enhanced.	Sentence reduced or otherwise altered.	Sentence reversed.	Proceedings quashed.	New trial or further enquiry ordered.	Referred for revision to the High Court.	Pending trial.

GRAND TOTAL	279	...	180	15	6	15	20	5	20	7	11

NOTES.—Column 2.—Total of columns 3 to 12. Cases transferred from one Court to another *in the same province* will appear only against the Court by which decided, or in which pending, at the end of the year, if not decided.
The words "Applicants for revision" in the heading of this column should be held to include only *accused persons* on whose behalf an application for revision is made, or in whose interest the Magistrate or Judge may take steps to obtain revision on his own motion. Where such application is made, or such steps are taken, on behalf of a *complainant*, the fact should be noted, with the number of complainants concerned, in the column of Remarks. In the latter case, the accused persons against whom the application is made, though not appearing in this column, will fall into their proper places in columns 3 to 13, according to the result of such application. This note is held to apply also to cases dealt with by the High Court, on review of returns.
Column 5.—Appeals dismissed under section 423, C. P. C., should be entered in this column.
Column 9.—Orders of discharge set aside by a Superior Court under section 436 of C. P. C. should be entered in this column.
Column 10.—When a sentence is reversed or proceedings are quashed on appeal, and a new trial or further enquiry is at the same time ordered, the Appellate Court should not fill in column 8 as well as column 10, or column 9 as well as column 10, in each case respectively, but should make the entry in column 10 only.
Column 13.—Duration of appeals, applications for revision, or reference should be calculated thus—
(1) Appeals from date of receipt in office of the petition of appeal;
(2) Applications for revision—from the date of application;
(3) Cases dealt with by the Court otherwise than on application—from date of the order calling for the records; and
(4) Cases sent to the High Court by lower Courts for revision—from the date of the letter from the Court making the reference.
General.—Persons whose appeals were rejected under section 421, C. P. C., should be entered in column 4, in which should also be included applicants for revision whose cases the Courts have refused to submit to the High Court. In columns 5 to 10 should be shown, opposite the sub-heads for Magistrates of District and Courts of Sessions, persons whose cases were disposed of by those Courts without reference to the High Court, and in column 11 all persons whose cases these Courts referred to the High Court.

E. C. GIBSON,

Commissioner and Sessions Judge, Ajmer-Merwara.

NOTES.—Column 2.—Total of the entries in columns 3 to 13. Cases transferred from one Court to another *in the same Province* will appear only against the Court by which decided or in pending at the close of the year, if not decided. The number of cases pending from the preceding year should be noted in the column of remarks, and when deducted from the total of column 2 should have a balance corresponding with the total of column 38 of Statement VII. If after deducting the arrears shown at the end of the previous year balance does not agree the figures in column 3 of Statement VII the difference should be explained.

Column 6.—When under section 102, C. P. C., a decree is wholly made in favour of an absent plaintiff on the admission of the defendant, the case should be entered in this column.

Column 8.—A case in which defendant appears, but a plaintiff does not, and defendant or partially not confess judgment and the case is thereupon dismissed the case should be entered in this column.

Columns 15 and 16.—As regards the average duration of suits the date of their presentation of the plaint shall be considered as the date of institution unless some defect or omission requires to be amended for the plaint can be admitted in which case the date of admission after amendment shall be regarded as the date of institution. With regard to applications to execute decrees they are of their presentation should alone be considered. In calculating average duration, the time that the suit has been actually pending in the particular Court should alone be calculated. The interval should be omitted during which an application for review which has been granted, or an appeal in which an order of remand has been passed, is pending in the superior Court. Revised suits are to be treated as if newly instituted on revival.

E. G. GIBSON,
Commissioner and District Judge, Ajmer-Merwara.

NB—For explanation of certain terms used in the tables please see page 8.
* Include both District Board and Municipal Funds.
† Includes expenditure on buildings.

EXPLANATIONS.

1. *School Year.*—In these tables the school year is assumed to coincide with the financial year, *i.e.*, to extend from April 1st of one year to March 31st of the next, though in actual practice some institutions, *e.g.*, European schools, may close in December and others, *e.g.*, colleges in May.

2. *Recognised Institutions* are those in which the course of study followed is that which is prescribed or recognised by the Department of Public Instruction or by a University or a Board of Secondary and Intermediate Education constituted by law and which satisfy one or more of these authorities, as the case may be, that they attain to a reasonable standard of efficiency. They are open to inspection and their pupils are ordinarily eligible for admission to public examinations and tests held by the Department or the University or the Board.

3. *Unrecognised Institutions* are those which do not come under the above definition of recognised institutions. They are for the most part indigenous institutions for education of a religious character.

4. *Other sources* include income from endowments, subscriptions, contributions, etc.

5. *Classification.*—In Tables IV-A and IV-B, Class I represents the lowest class in the school, whether called infant class, sub-standard A or Class I. Where the number of school classes exceeds 10, the additional classes should be entered in the space left blank below X and numbered for the purposes of this Table XI and XII.

6. *Intermediate colleges and examinations.*—An "Intermediate college" means an institution preparing students for admission to the degree courses of a University or for entrance into vocational colleges. The Intermediate examination means an examination qualifying for admission to a course of studies for a degree.

7. *European scholars* are included in the General Summary and General Tables II-A and B, IV-A and B, V-A and B, VIII and IX. The *expenditure* on European Schools is included in the General Summary and General Tables III-A and B. *Teachers* in European Schools are included in Tables VI-A and B.

8. All statistics refer to Recognised Institutions only, except where side-headings for Unrecognised Institutions are entered.

9. In Tables IV-A and B and V-A and B, the top-heading "*Hindus*" may be sub-divided into such necessary sub-headings as may be considered suitable in each province, *e.g.*, "Higher castes" and "Depressed" or "Backward classes" or "Brahmins" and "Non-Brahmins" etc. [In the consolidated tables for all India, all Hindu scholars will, however, be entered in one column only.]

10. Table IX is prepared at the end of each Quinquennium and gives figures for the last year of the Quinquennium only.
